Transmit the following in _____

(Type in plaintext or code)

AIRTEL

(Precedence)

TO: DIRECTOR, FBI (44-38861)

FROM: SAC, MEMPHIS (44-1987)(P)

SUBJECT: MURKIN

OO: MEMPHIS

Re Birmingham airtel to Bureau and LHM, both bearing date 12/15/76.

It is obvious from reading referenced LHM that the Birmingham source of this information has done some research on the murder of Dr. KING, however, he may simply have read one of the numerous books written on the subject. Memphis will research the KING case and will attempt to discover information to either prove or disprove allegations made by this source.
